

# BIO CELL REJUVENATING CREAM

MOISTURIZER

Moisturize & Smooth

RETAIL 1.75 oz  
PRO 8 oz

**SOUND BITE:** "Moisture therapy for prematurely aging skin."

Luxurious, silky moisturizer features multiple forms of hyaluronic acid, 3 potent peptides, and 5 exotic oils that helps transform dry, sagging skin into smooth, hydrated, youthful-looking skin. Smooths the appearance of fine lines and wrinkles, while providing long-lasting moisture.

#### WHAT DOES IT DO?

- Improves tone & texture
- Reduces appearance of fine lines & wrinkles
- Provides immediate & lasting moisture
- Smooths & hydrates dry, sagging skin

#### DIRECTIONS

Use morning and night after cleansing. Apply onto face, neck, and décolleté.

#### SKIN TYPES

dry, normal, sensitive

#### CONDITIONS

dehydration, lines & wrinkles, sagging

#### KEY INGREDIENTS

<b>Acetyl Hexapeptide-8</b>	Helps reduce wrinkles from continuous facial muscle contractions
<b>DPHP</b>	Plant-derived amino acid firms, moisturizes & minimizes wrinkles
<b>Ceramides EOP &amp; NP</b>	Moisturize & help protect skin from water loss & dryness
<b>Palmitoyl Pentapeptide-4</b>	Visibly reduces wrinkle depth, firms & smooths roughness
<b>Palmitoyl Tripeptide-5</b>	Helps encourage collagen synthesis & improve firmness
<b>Sacha Inchi Seed Oil</b>	Source of omega fatty acids improves skin barrier & calms irritation

**pH RANGE** 4.1 - 5.1
