

MASK

Boto-Needle Line Erase Eye Mask

Firm & Smooth

sound bite: "Precision infusion to firm, smooth & lift"

Bio-available micro needles dissolve into skin to smooth fine lines and wrinkles around eye areas.

Fast-tracks the delivery of line-filling hyaluronic acid and skin-transforming peptides to alleviate puffiness, lines, and dark circles, while stimulating skin around eyes for a lifted, rejuvenated appearance.

what does it do?

- Helps firm, smooth & lift eye contours
- Plumps away fine lines while reducing puffiness
- Moisturizes, brightens & energizes skin
- Boosts absorption of underlying serum or eye cream

directions

Remove adhesive strip from edge of masks. Press masks gently onto cleansed, dry skin. For optimal results, apply serum or eye cream and let dry before applying masks. (Note: if skin is wet before application, adhesive will not stick.) Leave masks on for a minimum of 30 minutes, or overnight.

key ingredients

Hyaluronic Acid	Attracts & retains moisture to plump & improve barrier function
Niacinamide	Brightens, reduces appearance of redness & discoloration
Acetyl Hexapeptide-8	Reduces appearance of wrinkles caused by repeated facial muscle movements
Ceramides EOP, NS, NP	Moisturize & help protect skin from water loss & dryness

ingredients

Oryza Sativa Bran Water, Hyaluronic Acid, Water, sh-Polypeptide-1, Niacinamide, Sodium Hyaluronate, Glutathione, Ceramide EOP, Ceramide NS, Ceramide NP, Phospholipids, sh-Oligopeptide-1, sh-Oligopeptide-2, Acetyl Hexapeptide-8, Caprylyl Glycol, Ethylhexylglycerin, Undecylenoyl Glycine, Capryloyl Glycine.
