

## TOOL

# Skin Perfecter

Cleanse, Exfoliate, Extract & Infuse

**sound bite:** *"Beyond the brush—even extracts blackheads."*

Ultrasonic beauty tool combines 4 skin treatments into 1 tool to deep cleanse, exfoliate, extract, and infuse serums and other topical treatments.

Professional-strength ultrasonic waves gently and visibly improve the appearance of fine lines, pores, texture, and clarity after every treatment. Non-invasive, rechargeable, and never requires a replacement brush, cartridge, or disc.

### what does it do?

Resonates at 28,000 ultrasonic vibrations per second

Deep cleanses pores of excess oil & impurities

Painlessly extracts blackheads & reduces the look of enlarged pores

Accelerates the absorption of skincare products

### directions

**Cleanse, exfoliate, and extract:** Keep skin moist. With spatula tip angled downward, glide spatula from the base of face upward and outward.

**Infuse serums or skincare treatments:** Apply product to face and neck. Hold the unit with the tip of the spatula flat against the skin. Glide the spatula outward and upward over the face and neck.

**contraindications** Operate unit only according to intended use as described in product manual. Do not use unit if you have serious allergies, infected skin, or a heart condition. Do not immerse unit in water. Keep the unit free of lint and hair.
