

Eye Wonder Instant Eyelift

This eyelift treatment highlights the latest innovations from the Platinum Pro Collection to help minimize dark circles and puffiness while lifting and firming the delicate eye contours.

Platinum Pro Collection features concentrated formulas with Hya10+ Complex, a science-driven bio-cellular base containing 10 forms of hyaluronic acid boosted by powerful galactomyces ferment filtrate, designed to work with skin's own cellular systems for enhanced hydration, nourishment, and recovery.

Cleanse I	Perform first cleanse with PurErb Bare Beauty Cleansing Oil . Eye & lash cleanse: apply one pump PurErb Bare Beauty Cleansing Oil to damp cotton round to gently cleanse eyes and lashes.
Analysis	Identify and confirm client skin concerns and assess skin barrier integrity.
Cleanse II	Perform second cleanse with skin-specific cleanser and remove.
Serum Infusion	Apply 1 pump Youth Drops Daytime Firming Serum to orbital areas.
Meridian	Using finger pads, press and hold Meridian eye points for 5 seconds each. Apply 1 drop Derma Relief Serum to orbital areas. Apply as needed for slip and glide. Using finger pads or Mountain Shan Gua Sha Tool , press Meridian points, followed by a sweeping motion from center of face, working outward.
Mask	Apply TGF-β Eye Firming Mask to lower orbital area.
Finish	Apply 1 pump Eye Wonder Youth Contour Eye Cream to orbital areas. Finish with Just Glow SPF 50 .
